

# Canta che ti passa

## Il tormentone dell'estate 2019

What is a "tormentone"? It refers to a song, usually a summer song, that you literally hear everywhere: radio, television, internet, clubs, bars, beaches, parties, etc. It is so much everywhere that it pesters you and at the end of August you uncork a bottle of spumante to celebrate the fact that you won't listen to that song anymore.

The thing is, there is usually more than one tormentone each summer, so... Better getting to know them!

The Queen of the tormentone estivo from the last few years is Giusy Ferreri. The songs are always catchy, her voice is unmistakable, and the rhythm just gets you dancing even if you don't want to.

2019 is no exception, the new song is called "Jambo", it comes with a very singable chorus and an outstanding coreography - you can definitely sing this song, but can you dance it?

### Jambo, Takagi & Ketra feat. Omi and Giusy Ferreri

We can do what we want  
 We don't need to be wild,  
 wild  
 We make the rules and  
 laws  
 We can do no wrong  
 You told me you're ready  
 You're getting to get it  
 Your unloving letters will  
 be melodramatic  
 We want my help 24/7  
 I need you honey, I need  
 your lemon  
 I don't need another  
 reason  
 You're enough for me  
 Let's make some memories

*E non c'è bisogno di niente  
 Ahi ahi ahi ahi  
 Quando la notte ti prende  
 Ahi ahi ahi ahi  
 Tra il cielo e la savana  
 Tutto girava  
 Jambo Bwana  
 Dicevi tu guardando me  
 Guardando me  
 Segui il fiume all'orizzonte  
 Dove l'estate non cambia  
 colore  
 Dai che è vicino anche il  
 sole  
 Sopra alla linea  
 dell'equatore  
 Tu dimmi che vuoi restare  
 Con me se il mare è blu  
 Voglio andarci con te*

[chorus]  
 Ohohoh  
 We're on top of the world  
 Continua a ballare  
 Beautiful around us  
 Fino a quando ti pare  
 You and me  
 Come un'onda che sale  
 Ohohoh  
 E chi tace  
 Continua a cantare  
 The cause that you want  
 Fino a che il tempo non  
 scade  
 Finché il mondo non cade  
 [chorus]
